

Amvrakia route (1 week)

Saturday **Arrival Nidri**

Nidri is the home of Sunny Sailing. The view of the water is magnificent. The jetty lies in front of the Armonia hotel where one can make use of the many facilities that the hotel has to offer. Nidri itself has a lively village with a pleasant boulevard.

Sunday **Nidri - Preveza**

Departement Preveza is one of the four departments of Epirus. It is bordered to the north with the Epirotional departments of Thesprotia and Ioannina, in the east with the department of Arta. In the south there is the Gulf of Amvrakikos and in the west the Ionian Sea. It is a lively town with many shops, restaurants, squares and a cozy harbor.

Monday **Preveza - Vonitsa**

Vonitsa is very cozy and is considered by many as the gateway to the Amvrakikos bay. In the town, near the water, are many nice restaurants and cafes. There is a nice harbor where fishing boats and sailing boats moor.

Tuesday **Vonitsa - Lefkas Stad**

The Lefkas Marina is within walking distance of the lively center, where there are many shops and terraces. Although it is a small town, there is a lot to see and do here. There is the fortress of Agia Mavra, there are historic churches, a beautiful lagoon, beautiful squares and colorful narrow alleys.

Wednesday **Lefkas Stad - Spartagori**

Spartagori is located on the island of Meganissi. It is good to stay here, sleep peacefully and especially wake up well. The village on top of the mountain is the perfect place for your most beautiful holiday photos. It is also likely that you will see dolphins!

Thursday **Spartagori - Kalamos**

Kalamos is a very green island with many pine and pine forests. There are all kinds of small, deserted, sandy and pebble beaches on the island. The sea water is turquoise and crystal clear. It is a mountainous island that is loved by sailors. Although Kalamos is very small, the highest peak here is 745 meters!

Friday **Kalamos - Nidri**

Back to the home base. Where you can refuel your own jetty before (unfortunately) the suitcases have to be packed. In the evening, the hotel can serve a deliciously BBQ on the other side of the street.
