

Culinaire route Corfu (1 week)

Saturday **Arrival Nidri**

Nidri is the home of Sunny Sailing. The view of the water is magnificent. The jetty lies in front of the Armonia hotel where one can make use of the many facilities that the hotel has to offer. Nidri itself has a lively village with a pleasant boulevard.

Sunday **Nidri - Lefkas Stad**

The Lefkas Marina is within walking distance of the lively center, where there are many shops and terraces. Although it is a small town, there is a lot to see and do here. There is the fortress of Agia Mavra, there are historic churches, a beautiful lagoon, beautiful squares and colorful narrow alleys. We start our culinary route here at restaurant Ef Zheen.

Monday **Lefkas Stad - Parga**

Near the harbor stretches the town itself, which looks like a beautiful white village with red roofs unaffected by the course of time. The character of the town is lively and you can stroll through the many streets with shops and in the evening enjoy the sunset between the castle and the island of Panagia. Here our culinary route takes us to restaurant Castello. The food is prepared with love and everything on the table, from vegetables to the (house) wine is made and comes from our own garden.

Tuesday **Parga - Corfu Stad**

There is a small club in Corfu town. It is under the fort that can of course be visited. In this small harbor there is a lovely restaurant with a bar on the water, where local dishes are given a modern twist.

Wednesday **Corfu Stad - Lakka**

The bay of the harbor town of Lakka is often full of sailing boats and yachts and is bowl-shaped. The seawater in the bay has the most beautiful colors of blue and partly because of the olive trees and cypresses that grow up to the coastline, it looks like a lake. The harbor town has a small pedestrian promenade with numerous terraces and a few very good restaurants; we choose this culinary route for restaurant Akis that has a terrace on the water.

Thursday **Lakka - Mongonisi**

Mongonissi on the island of Paxos is located in a protected bay where the water is shallow and the beach is on the doorstep. A typical Greek taverna surrounded by olive trees offers delicious local dishes and a unique Greek dance evening.

Friday **Mongonisi - Nidri**

Back to the home base. Where you can refuel your own jetty before (unfortunately) the suitcases have to be packed. In the evening, the hotel can serve a deliciously BBQ on the other side of the street.
