

## Paxos route (1 week)

### **Saturday**    **Arrival Nidri**

Nidri is the home of Sunny Sailing. The view of the water is magnificent. The jetty lies in front of the Armonia hotel where one can make use of the many facilities that the hotel has to offer. Nidri itself has a lively village with a pleasant boulevard.

### **Sunday**    **Nidri - Lefkas Stad**

The Lefkas Marina is within walking distance of the lively center, where there are many shops and terraces. Although it is a small town, there is a lot to see and do here. There is the fortress of Agia Mavra, there are historic churches, a beautiful lagoon, beautiful squares and colorful narrow alleys.

### **Monday**    **Lefkas Stad - Parga**

Near the harbor stretches the town itself, which looks like a beautiful white village with red roofs unaffected by the course of time. The character of the town is lively and you can enjoy the restaurants and shops and the evening of the sunset between the castle and the island of Panagia.

### **Tuesday**    **Parga - Lakka**

The bay of the harbor town of Lakka on Paxos is often full of sailing boats and yachts and is bowl-shaped. The seawater in the bay has the most beautiful colors of blue and partly because of the olive trees and cypresses that grow up to the coastline, it looks like a lake. The harbor town has a small pedestrian promenade with numerous terraces and a few very good restaurants.

### **Wednesday**    **Lakka - Mongonisi**

Mongonissi on the island of Paxos is located in a protected bay where the water is shallow and the beach is on the doorstep. A typical Greek taverna surrounded by olive trees offers delicious local dishes.

### **Thursday**    **Mongonisi - Preveza**

Departement Preveza is one of the four departments of Epirus. It is bordered to the north with the Epirotional departments of Thesprotia and Ioannina, in the east with the department of Arta. In the south there is the Gulf of Amvrakikos and in the west the Ionian Sea. It is a lively town with many shops, restaurants, squares and a cozy harbor.

### **Friday**    **Preveza - Nidri**

Back to the home base. Where you can refuel your own jetty before (unfortunately) the suitcases have to be packed. In the evening, the hotel can serve a deliciously BBQ on the other side of the street.
