Route 'Something different' (2 weeks Kefalonia/Lefkada) 29 July to 12 August 2023

Saturday: **Arrival Sivota, Lefkada**

Sivota is a beautiful bay which provides a safe shelter for our fleet. Along the small port of Sivota are a number of nice fish taverns and restaurants. Our jetty is managed by Theo, owner of the restaurant 12 Gods. This restaurant is also a base for our briefings and joint dinners.

Sunday: **Fiskardo, Kefalonia (10 miles)**

Fiskardo on the island of Kefalonia, is a place that you will certainly remember because of the colorfulness of the houses. This village was the only one to survive the earthquake of 1953. This place is very cozy and beautiful and therefore popular! Many terraces on the water, trendy; the Monaco of the Ionian Sea.

Monday: **Bay on Kefalonia? (15 miles)**

Surprise Bay

Tuesday: **Argostoli, Kefalonia (30 miles)**

Argostoli is the capital of the Greek island of Kefalonia. This city is located in the south of the island, on the bay of Argostoli. There is a nice shopping street, there are cozy terraces and a beautiful walkway to the other side of the bay. This Drapanos Bridge at the entrance to the city is 900 meters long and, unlike most buildings in Argostoli, has withstood the earthquakes of 1953.

Wednesday: **Bay on Kefalonia? (15 miles)**

Surprise Bay

Thursday: **Poros, Kefalonia (18 miles)**

Poros can be found in the southwest of the island of Kefalonia. There is always a lot of life in the port due to the ferry which docks here. The walk to the village is very nice with a wide boulevard; on one side is the beach, on the other side the restaurants, the shops and the bars.

Friday: **Bay on Kefalonia? (18 miles)**

Surprise Bay

Saturday: **Rest day in surprise bay**

'Something different' route (2 weeks)

Sunday: **Kalamos, Kalamos (23 miles)**

Kalamos is a very green island with many pine trees and pine forests. On the island there are all kinds of small, deserted, sandy and pebble beaches. The seawater is turquoise and crystal clear. It is a mountainous island that is loved by sailors. Although Kalamos is very small, the highest peak is 745 meters!

Monday: **Palairos mainland or Nidri, Lefkada (13 miles)**

Palairos is a small seaside resort. There is a small marina in town and on the main square are all kinds of restaurants, bars and cafeterias. At the harbor is a small sand-pebble beach, but the longest beach is just outside the town. On these beaches all kinds of water sports are possible. When the weather does not allow us to anchor loosely in the bay of Palairos we move to Nidri. Here we moor at the jetty of Hotel Iris and we are on a mooringline. In the evening, a delicious BBQ buffet can be organised.

Tuesday: **Lefkada Town (13 miles)**

Lefkada Town, also called Lefkas town, is a cozy town. There are plenty of restaurants and fish taverns and the locally made dishes are very good. On the west side of the harbor you will find several bars with terraces on the water but on the east side are most of the restaurants and cafes. Of course we dine at Ey Zhn; a small tavern in town, run by Chef Alex.

Wednesday: **Vassiliki outside (30 miles)**

Vassiliki is the surf paradise of Lefkada. There is regularly a bit more wind in this large bay, which makes sailing here so popular. The port is surrounded by the village and numerous (traditional) restaurants.

Thursday: **Karnayo, Meganissi (10 miles)**

Meganissi is a small (20 km²) island southeast of Lefkada. Immediately starboard in the bay lies Karnayo. A small family tavern with private beach and jetty is where we will moor.

Friday: **Sivota, Lefkada (7 miles)**

Back to home base. Where you can refuel at the jetty before (unfortunately) the suitcases have to be packed. In the evening you can have a delicious dinner at the restaurant 12 Gods.
